

SDVERSE : A Snapshot

Overview

Founded by industry leaders, **General Motors, Magna, and Wipro**, SDVerse is the automotive industry's first B2B marketplace for automotive software, enhanced with AI-powered capabilities that accelerate software discovery and sourcing.

SDVerse offers a **transparent digital marketplace for discovery & benchmarking**, cutting procurement time by up to 80%. For buyers, it reduces costs & speeds innovation; For sellers, it democratizes market access.

SDVerse has Brought Together Industry Leaders to Improve Speed, Transparency, and Efficiency in Software Development and Sourcing
